Background

The Lifetime Support Scheme provides lifetime treatment, care and support for people who sustain serious, lifelong disabilities from motor vehicle accidents in South Australia, regardless of fault.

The Lifetime Support Authority (LSA), which administers the scheme, is seeking

Expressions of Interest from health and medical professionals to act as independent assessors for the Scheme and for its Expert Review Panels.

Appropriately qualified professionals may be needed to provide sessional advice on eligibility and treatment, care and support needs.

An Expert Review Panel can be convened to advise on a dispute about Scheme eligibility, or treatment, care and support needs when a dispute cannot be resolved internally.

We are seeking a range of expertise across health professions and medical specialties.
