## What is the Lifetime Support Scheme?

---

The Lifetime Support Authority (LSA) delivers the South Australian Government's Lifetime Support Scheme (LSS).

The LSS is a no-fault Scheme that plans and funds necessary and reasonable Treatment, Care and Support services for people who are seriously injured as a result of a Motor Vehicle Accident in South Australia.

## What are the Participant Service Standards?

---

The Participant Service Standards:

- Define what the LSA will do when working with participants as well as what the LSA asks Lifetime Support Scheme (LSS) Participants to do when working with the LSA.
- Set out the LSA'S commitment to funding person-centred Treatment, Care and Support services to LSS Participants.
- Seek to foster effective working relationships between participants and the LSA staff.

It is intended that this document satisfies the requirement for a Code of Conduct (section 23 of the *Motor Vehicle Accidents (Lifetime Support Scheme) Act 2013*).

## Our Interactions

---

The LSA commits to:

- Treat LSS Participants with dignity and respect.
- Assess eligibility for the LSS in a timely and fair manner, in accordance with the requirements of the *Motor Vehicle Accidents (Lifetime Support Scheme) Act 2013* and the LSS Rules.
- Ensure that LSS Participant needs, and preferences are at the centre of LSA's decision-making, and consistent with the LSS Rules.
- Respond to requests in a timely manner.
- Provide relevant and timely communications.

## Eligibility Assessment

The LSA assesses eligibility for participation in the LSS after considering:

- An application provided by the Applicant, a person on behalf of the Applicant, or an insurer.
- Relevant Motor Vehicle Injury information.
- Relevant medical assessment information.

The LSS Rules prescribe the eligibility criteria as part of the assessment process.

During the assessment process, the LSA will:

- Communicate with applicants during the eligibility assessment process, to keep applicants updated.
- Assist applicants with collecting documentation the LSA requires when assessing eligibility, where reasonable and practical.

## Assessment of Participant Needs and Necessary and Reasonable Support

---

The LSS funds necessary and reasonable Treatment, Care and Support expenses that are related to a LSS Participant's Motor Vehicle Injury.

The LSA:

- Makes decisions regarding Treatment, Care and Support in a timely manner and in accordance with the LSS Rules.
- Explains decisions made about Treatment, Care and Support to LSS Participants.
- Provides decisions in writing when a request is made in writing to the LSA about funding Treatment, Care and Support.
- Assists LSS Participants to identify whether there are other avenues of support to pursue where the LSA is unable to meet LSS Participant needs. This may include Commonwealth or State Government supports.
